Sir:

Please review and enter the following remarks summarizing the interview conducted on  
February 11, 2004:

REMARKS

An Examiner's Interview Summary Record (PTO-413) was mailed on February 27, 2004 in response to the above-identified interview. On February 10, 2004, the undersigned representative of the Applicant called Examiner V. Nguyen to alert him to the fact that the non-final Office Action mailed on January 13, 2004, in the above-identified application, failed to address pending claim 17. In a telephone interview with the Examiner on February 11, 2004, the Examiner indicated to Applicant's representative that the omission of claim 17 from the non-final Office Action was an oversight and that claim 17 should be allowed at least by virtue of its dependency from allowed claim 2.
